

Peoples' Stories

August 24-26, 2012

Pre-conference
August 23-24, 2012

VII Baltic Moreno Conference ■ Tallinn, Estonia

VII Baltic Moreno Conference

is for stories
from different
countries
and nations to
meet
in
psychodrama
sessions.

People are telling stories
and passing them on
from generation to generation
in order to
overcome disasters,
to believe in happiness
and sustainability,
to remain and remember
— and sometimes, to forget.

Narrative is an important tool
to preserve the identity of nations.
